Q: Really looking for new ideas today. I have a website, two family facebook groups and Skype with close family all the time. I want to expand to more digital connections so really excited about this webinar

A: Great!

Audience Question:

Q: My family is like a map of a pool table placed over the U.S -- We've got family in every pocket!

A: :)

Audience Question:

Q: What service does the survey that was taken earlier in this webinar. I would love to use surveys

A: That's part of GoToWebinar.

Audience Question:

Q: One big benefit of Skype is that everyone is live at the same time -- you can see everyone -- and one person can share their screen.

A: Thanks.

Audience Question:

Q: I had to join late, is there a way I could download the webinar to be able to watch the first portion?

A: The webinar's recording will be available later today at www.familytreewebinars.com

Audience Question:

Q: Is Go-To-Meeting a month-by-month subscription, or does it require a contract?

A: Thanks for letting us know.

Audience Question:

Q: I just received an "upgrade to Windows 10". How do all of these work with Windows 10 and is it worth the upgrade or is the upgrade at this time a "find the bugs Beta"?
