

## Chat log 21Feb2017 Weaving DNA Test Results into a Proof Argument with Karen Stanbary

### Audience Question:

Q: What is the name of the software she uses?

A: <http://genomemate.org/>

**Geoff Rasmussen (to All - Entire Audience):** 8:25 PM: ISOGG Wiki -

[http://isogg.org/wiki/Wiki\\_Welcome\\_Page](http://isogg.org/wiki/Wiki_Welcome_Page)

### Audience Question:

Q: Terrific syllabus!

A: Yes, she did a great job, didn't she?

### Audience Question:

Q: she is going so quickly. is this recorded so i can listen to it again?

A: Yes, the recording will be available at [www.familytreewebinars.com/bcg](http://www.familytreewebinars.com/bcg) later tonight.

### Audience Question:

Q: The software is Genome Mate Pro ([genomemate.org](http://genomemate.org/)).

A: Thanks!

### Audience Question:

Q: she is going so quickly. is this recorded so i can listen to it again?

A: Yes. It will be available for one week free on the Family Tree Webinar website. After that it will be available for rent at BCG's website.

### Audience Question:

Q: Will it not be available for webinar members?

A: Yes, if you have an annual or monthly webinar membership, the recording will be available for the duration of your membership.

### Audience Question:

Q: wow...glad I don't have Mexican ancestors....

A: This is why genealogists specialize. :-)

**Geoff Rasmussen (to All - Entire Audience):** 8:34 PM: QuickSheet: Citing Genetic Sources by Elizabeth Shown Mills

### Audience Question:

Q: Am I the only one overwhelmed by the terminology? This is my first webinar on DNA. I have to go to youtube and start w/the basics...

A: Don't feel badly. There is a lot to know with DNA, for sure. There are many resources to help. This webinar may be viewed for free over the next week, as well.

**Geoff Rasmussen (to All - Entire Audience):** 8:39 PM:

<http://thegeneticgenealogist.com/2016/06/26/update-to-the-shared-cm-project/>

### Audience Question:

Q: What is a cm?

A: a centimorgen

**Geoff Rasmussen (to All - Entire Audience):** 8:52 PM: Board for Certification of Genealogists - <http://www.bcgcertification.org/>

**Audience Question:**

**Q:** It's apparent she has access to all these people's info....does that mean she is the administrator....or am I missing something.

**A:** It is my understanding that she does administer all of the kits that she used in this study.

**Audience Question:**

**Q:** Legacy webinars has 5 webinars by Blaine Bettinger "Foundations" which cover the basic concepts. They are where I started.

**A:** Here's the link: <http://familytreewebinars.com/dna1>

**Audience Question:**

**Q:** Amazing webinar!

**A:** Sure was!

**Audience Question:**

**Q:** There are a number of good Webinars on this website. Start with an easier one and work your way through each one. It does get easier the more time you spend understanding each one. While I do not print every syllabus I found that printing these and taking notes on them to be very helpful.

**A:** Good thoughts, thanks!

**Audience Question:**

**Q:** WOWza!!! This is totally awesome!!! :)

**A:** :)

**Audience Question:**

**Q:** Where do we find the article?

**A:** This was an NGS Quarterly article. It is referenced in the handout.

**Audience Question:**

**Q:** This is way to advanced for me. Need a beginners course!

**A:** There are many resources available. Thanks for sticking with us.

**Geoff Rasmussen (to All - Entire Audience):** 9:09 PM: The Family Tree Guide to Genetic Genealogy

**Geoff Rasmussen (to All - Entire Audience):** 9:09 PM: Genetic Genealogy in Practice
