

New in Legacy Family Tree 9

Hinting

Legacy 9 sifts through billions of records from the key websites – FindMyPast, FamilySearch, GenealogyBank, and MyHeritage – for new information, pictures, and stories of your ancestors. As you add to your tree, Legacy 9 begins the search – automatically!

Reports and Charts

See trends in your ancestors' medical history with the new **Cause of Death** charts. Expand your genetic genealogy tools with the new **X-DNA color schemes**. Get everyone involved at your next reunion or family gathering with **Family Tree BINGO** – play with cards of your ancestors, descendants, or a mixture. You can also now see your tree at a glance in the **Family Dictionary**.

FindAGrave.com Searching

One-click access to your ancestor's Find A Grave memorial. Create a list of people in your tree with or without Find A Grave IDs.

Online Backup

You'll never worry about losing your data again. In addition to backing up to your hard drive, a thumb drive, or a DVD, you can now backup your Legacy to the Legacy Cloud. It also makes transferring to a new computer a breeze.

Stories

Preserve the stories of your ancestors or stories of your own. The new Stories tool lets you record, organize and print multiple stories for any of your ancestors.

Hashtags

Create unlimited hashtags to describe your ancestors. Then search for or print a report of everyone who shares that hashtag. You're no longer limited to 9 tags. Call them anything you want – #civilwar #DNAtested #farmer #ProvenAncestor #BrownHair

Hashtags	Description	Count
DNA Tested	The person has had their DNA tested.	0
Military: Civil War	Served in the U.S. Civil War.	6
Military: War of 1812	Served in the War of 1812.	1
Occupation: Carpenter	Had an occupation of carpenter.	1
Occupation: Farmer	Had an occupation of farmer.	1

Compare 2 People

Researching two same-named individuals? Having difficulty differentiating two John Smiths in the same place? The new Chronology Comparison report puts them side-by-side, color codes their similarities and differences, and helps you determine if they could be the same person.

Color Coding

Legacy's popular color-coding system has been expanded. Now enjoy the ancestor color coding in both the Index View and Name List, making it simple to know what part of your tree you are looking at.

And dozens of other enhancements

Digital pictures are now auto-sorted by date. View all 9 tags in the Name List. Support for data entry and reporting of same gender relationships. Direct import from the now-retired *Master Genealogist* software. Two additional custom toolbar buttons, and much more
