

Legacy 9 Unlocked (part 9): Adding an Entry from an Online Database by Geoff Rasmussen

Summary of Steps for an Online Database

1. Create the To Do item and perform the research
2. Set up the source clipboard
3. Analyze and add the new data, and source as you go
4. Close/complete the To Do item
5. Plan for future research
6. File the paper document, if applicable

Citation of following record

Italian Genealogical Group, "NYC Death Index," database, Italian Genealogical Group (<http://italiangen.org> : accessed 27 Feb 2016), entry for John O. Williams 1922 death.

We have provided a printable form to request Death Certificates from The New York City Municipal Archives. The form is available below the search results after a successful search.

If you find an error, you may submit a correction; but it **MUST MATCH** what is on the birth certificate. **All other changes will not be accepted!**
