How to Better Manage Your MyHeritage Family Site

Audience Question:

Q: So we all have an 'Aunt Mary' LOL

A: :)

Audience Question:

Q: Geoff, Can you ask Daniel why he has Maiden Name under name of a woman? Thanks :)

A: Answering this right now...

Audience Question:

Q: Inviting people is great. I would like my brother and sister to see the tree. But as they don't know a thing about genealogy I don't want them to be able to change anything.

A: Understandable

Audience Question:

Q: I feel so much better if Daniel has family tree editing concerns. I can now own being a control issues. Thanks.

A: :)

Audience Question:

Q: He mentioned MyHeritage has tree software that can be synched where do I find this? Is it part of the subscription?

A: <https://www.myheritage.com/family-tree-builder>

Audience Question:

Q: haha...Daniel is funny today

A: :) agree

Audience Question:

Q: If I invite a family member to the site can they also see the deceased person information as well as their information?

A: Answering this right now...

Audience Question:

Q: I Like Daniel's sense of humor!

A: He's in top form today, eh?

Audience Question:

Q: I like that log area. Great stuff today

A: Yes, I've learned quite a bit.

Audience Question:

Q: I got real excited - I thought I had 14 new messages; but it is Daniels'.

A: Ha! :)

Audience Question:

Q: My page doesn't look like Daniel is there a reason why?

A: Not all users have the "new look" yet. Is being rolled out in stages. I don't have the new look either yet.
