An Introduction to DNA Painter by Jonny Perl

Audience Question:

Q: I took an idea that someone talked about last night in the chat. I am using Evernote to store my syllabi.

A: Great!

Geoff Rasmussen (to All - Entire Audience): 2:05 PM: www.dnapainter.com

Geoff Rasmussen (to All - Entire Audience): 2:06 PM: <https://familytreewebinars.com/dna> (73 DNA webinars available)

Audience Question:

Q: I want to buy a copy of this webinar. In the past I have paid for webinar recordings but was unable to access it. Could you tell me more about the process?

A: The .mp4 will be available afterwards at <https://legacy.familytreewebinars.com/webinar-cds-c12.php> for 9.95. Otherwise, a monthly membership, also 9.95, is available at <https://legacy.familytreewebinars.com/memberships-c11.php> and provides access to all webinar recordings for the duration.

Audience Question:

Q: How do I upload my DNA to the site?

A: He'll show this soon...

Audience Question:

Q: Besides using the tools, is there a way to use the matches from Ancestry? I could look for them elsewhere.

A: Answering this right now...

Audience Question:

Q: I already have a dna painter account (have had it for over a month) and have painted 179 segments....I have already learned something new! Thanks so much for this webinar!

A: Great!

Audience Question:

Q: I wrote a blog post about how DNA Painter helped me prove a theory. Jonny Perl is AMAZING!

A: :)

Audience Question:

Q: It's a very techie subject but isn't he great at explaining it very clearly!

A: :)

Audience Question:

Q: I have had an DNA Painter for over a year...983 segments painted, 46%. It's important to check for new matches at all testing companies weekly to update your "painting"

A: :)

Audience Question:

Q: Jonny is explaining this so well & at a great pace.

A: Glad you're enjoying it!

Audience Question:

Q: "Always be prepared to be wrong"

A: Great quote, eh?

Audience Question:

Q: I can't wait to try DNA painter and "paint" my ancestors. Jonny has made a difficult process extremely easy.

A: :)

Audience Question:

Q: I'm ready to paint as well!

A: Be careful, it's addictive

Audience Question:

Q: Hope his site is able to handle all of us going there today!

A: I warned him that we tend to crash websites during our live webinars. ;)

Audience Question:

Q: I can't even imagine the ability to create this. Thank you for offering such quality webinars. Jonny is wonderful and explains it in a way even I can understand.

A: :)

Audience Question:

Q: Can't wait to get started! Did he say how much the subscription is?

A: <https://dnapainter.com/subscribe>

Audience Question:

Q: My parents are third cousins and share 3 surnames in common. Any suggestions when working with endogamous populations?

A: Talking about this right now...

Audience Question:

Q: How much is it for the paid site, please?

A: It shows the prices at <https://dnapainter.com/subscribe>

Audience Question:

Q: It only shows the price if you log in. So I don't have an account to log in, so I can't see any prices.

A: Oh, OK. It shows 6 months \$30 or 1 year \$55
