**Using MyHeritage Tools to Improve Your Family Tree Data by Daniel Horowitz**

**Audience Question:**

**Q:** I have a complete plan which is very useful.

**A:** Great!

**Audience Question:**

**Q:** Then you can extract the data to allow further development of fH

**A:** Yes, perhaps he will show us...

**Audience Question:**

**Q:** pressing show more fields allows you to increase more extracting options

**A:** Good tip

**Audience Question:**

**Q:** Why does MH not allow you to open links in a new page, by left clicking and opening in a new tab? That way I have the main page still open to go back and refer to.

**A:** Try right-clicking instead and click on the option to open link in a new window or in a new tab.

**Audience Question:**

**Q:** I won a 1-year all access membership and absolutely love it. I plan on paying for the membership, once the free membership expires.

**A:** Great!!

**Audience Question:**

**Q:** Well I missed the first 15 minutes so I will have to go back and watch the recording. Glad to be here at another informative webinar-thanks My Heritage and Legacey!

**A:** :)

**Audience Question:**

**Q:** Terrific!

**A:** :)

**Audience Question:**

**Q:** The complete plan is essential if you have European ancestors like me, as well as unknown family still there.

**A:** Thanks for your thoughts!

**Audience Question:**

**Q:** Fabulous - I've already changed two items now which the MyH. didn't understand or I had as a local neighbourhood. Cool.

**A:** Great!

**Audience Question:**

**Q:** I'm learning so many things already! Wowzer!

**A:** :)

Audience Question:

Q: I had not been using the map yet so now I have a new tool to use!

A: A new toy, I mean tool. :)

Audience Question:

Q: I can use this for my Ph D research now

A: Ah, very interesting...

Audience Question:

Q: Have not used the Consistency Checker. Great tool

A: Enjoy!

Audience Question:

Q: I really like the Tree Consistency Checker. It helped me update many of my names. Such as if you didn't indicate "deceased" This is a fabulous feature. Kudos MyHeritage!!!

A: :)

Audience Question:

Q: I have seen a record for some one of 121

A: Wow

Audience Question:

Q: I had 60...on the consistency checker...good information to fix! Other people don't need to add MY mistakes!

A: :)

Audience Question:

Q: one of my sisters had twins who were born half way through the pregnancy and they both survived

A: Very interesting...

Audience Question:

Q: Does he have any tutorials on Heritage to help us use all these wonderful tips?

A: Check out the library of MyHeritage Webinars classes at <https://familytreewebinars.com/myheritagewebinars>

Audience Question:

Q: Where did he get the checker settings to change?

A: It's a little icon that looks like a gear in the upper right of the Consistency Checker screen.

Audience Question:

Q: His deadpan delivery of McFly is hilarious.

A: Yep, agree. :)

Audience Question:

Q: Person has different birth dates on official documents. How does one reflect this when one does not know the actual or real date?

A: That's where using the Genealogical Proof Standard comes in. You might check out some of the webinars at <https://familytreewebinars.com/genproofstandard> about this.

**Audience Question:**

Q: George Forman's family would definitely challenge the "same name" check! :)

A: :)

**Audience Question:**

Q: Can we approve a consistency check item, so it does not appear again in the consistency checker window?

A: Answering this right now...

**Audience Question:**

Q: Are MyHeritage and Legacy trees connected yet? Will they be?

A: Not yet, but it's in the works. Optional of course.

**Audience Question:**

Q: If you click ignore does it ignore only that instance or all instances

A: Just that instance.

**Audience Question:**

Q: I like the Sun Chart

A: Yes, I really like the Sun Chart too.

**Audience Question:**

Q: I would like to print an entire tree with the 1000 people in it, makes it easier when you are going to cousins to show - lots of people have the same name- is there an easy way to do that. I dont need it to be fancy just usable. Had one from when I first started and taped it all together but it needs to be updated. Please let me know!

A: Yes, use the All-In-One chart.

**Audience Question:**

Q: These webinars are absolutely the BEST self-education for all genealogists/family historians!!

A: agree!

**Audience Question:**

Q: Hapy to see Geoff has 999+ record matches to review too!!

A: :)

**Audience Question:**

Q: Thank you ever so much, I never get tired of listening and learning Daniel Horowitz. I've been with MyHeritage since the start. Thank you Legacy for this webinar.

A: :)

**Audience Question:**

Q: Does it update from FTB to MH online database?

A: yes

**Audience Question:**

Q: the marriage is in 2000 and she was born in 1936. sounds like it could be second marriage

A: yes, I think so...

Audience Question:

Q: I haven't heard of Family Tree Builder...could you give me information

A: <https://www.myheritage.com/ftb>

Audience Question:

Q: Since the charts can be saved to our computer. can I then take to a print shop to make an extra large item?

A: yes
