

Chat Log 13 Jan 2017 Legacy Family Tree for Complete Beginners with Geoff Rasmussen

Audience Question:

Q: I'm not a Legacy beginner but learned something new from your syllabus: Tree Finder. Didn't know about this. Have been tagging my unrelated individuals with a 9. Now I can use Tree Finder and free up Tag 9.

A: wonderful

Audience Question:

Q: my screen indicates "muted by organizer" what does that mean - other than I can't hear audio; I choose my own computer not phone; 'm set on full volume

A: All attendees are muted during the broadcast. It shouldn't impact your ability to hear the webinar.

Audience Question:

Q: Will this Webinar remain free so I can recommend it to people who are interested in finding out what it is all about before they buy?

A: Yes, I believe so.

Audience Question:

Q: Can you add info/GEDCOM from another online site to a Legacy file that already has info in it too?

A: Yes. you can import a gedcom from any program that creates gedcoms.

Audience Question:

Q: Does importing a GEDCOM, overwrite what's already in Legacy?

A: No, you can create a brand new file when you import or you can merge into an existing legacy file.

Audience Question:

Q: Does downloading a Gedcom include the media?

A: No, it does not.

Audience Question:

Q: Can a non-Ancestry member still download a GEDCOM from their tree?

A: Try accessing your tree on Ancestry. If you can access it after logging in then you should be able to export it.

Audience Question:

Q: When downloading from Ancestry, does it include all the documents attached to your tree?

A: No, gedcoms do not export/import media.

Audience Question:

Q: I have trees in several places. can I sync the trees?

A: You would need to use something like drobox on a computer for that. On mobile devices you would need to purchase the Families app.

Marian Pierre-Louis (to All - Entire Audience): 2:21 PM: Everyone can access today free 9 page syllabus here: http://familytreewebinars.com/webinar_details.php?webinar_id=566

Audience Question:

Q: This is one of the reasons I LOVE Legacy - because it shows the half-siblings. I haven't found any other software that does this all on one screen - Ros in England

A: Good to know!

Audience Question:

Q: is that a version 9 item?

A: Everything he is showing today is in Legacy 8

Audience Question:

Q: I see Ancestry as an icon option. Does that search directly in Ancestry?

A: No, not currently.
