Audience Question:

Q: Happy Webinar Wednesday!!

A: Absolutely!

Audience Question:

Q: I assume that we will not have a hand out with today's webinar. Am I correct?

A: Yes, that is correct for today.

Audience Question:

Q: Greetings from the North Georgia Mountains!

A: Welcome!

Audience Question:

Q: Also, would you explain what the Virtual User's Group Meeting is for this Friday? Thank you, Geoff.

A: The webinar/user group will be a presentation of several Legacy-specific topics, beginner through advanced, by myself and members of our staff, followed by a Q/A.

Audience Question:

Q: Hey ya'll from Morrow Ga.

A: Hi ya'll.

Audience Question:

Q: This is the Webinar you've been waiting for, Geoff. :-)

A: I know, I can't wait...

Audience Question:

Q: Good afternoon from a very soggy NJ

A: Beautiful blue skies here in Idaho...

Audience Question:

Q: Gorgeous day in Vancouver BC, on Wonderful Webinar Wednesday! Cheers.

A: Great!

Audience Question:

Q: Rainy day here in Toronto, Ontario...

A: Toronto is beautiful.

Audience Question:

Q: Thanks--my first webinar

A: An extra special welcome to you!

Audience Question:

Q: Gonna be a sweltering 91 in Sacramento, CA - it was 76 day before yesterday!

A: Wow, really?

Audience Question:

Q: Good Webinar Wednesday from rainy New Hampshire!

A: :)

Audience Question:

Q: welcome from ft myers fl a nasty place to be today, but yay its webinar wed

A: Stay safe.

Audience Question:

Q: Tornado watch here in North Carolina

A: Be safe Ann.

Audience Question:

Q: Clear, Breezy and low 90s expected in Buckeye, AZ, on Wonderful Webinar Wednesday.

A: Sounds wonderful, but a bit warm.

Audience Question:

Q: Beautiful spring day here in Stony Plain Alberta!!

A: :)

Audience Question:

Q: It's currently 72 with gusty winds in Highland, CA. It's supposed to reach 96 on Friday! YIKES!

A: Right, yikes!

Audience Question:

Q: I hope Google sent Geoff a pair of glasses to try out so he can tell us all about them!

A: I like the idea. Maybe everyone should write to Google and recommend they send me a pair.

Audience Question:

Q: Are there any online Legacy User Groups?

A: There is one in the Google+ community. And the Legacy user group mailing list at <http://www.legacyfamilytree.com/LegacyLists.asp>

Audience Question:

Q: so glad it's webinar Wednesday!

A: :)

Audience Question:

Q: mmmmm maybe they should send us all glasses\

A: :)

Audience Question:

Q: Clear, sunny, and 57 in Branson, MO today. Expected to hit the 80s by the weekend. I love Springtime and Webinar Wednesdays in MO!

A: :)

Audience Question:

Q: In Alberta the sun is shining but we are supposed to get more snow on the weekend.! It's been a vbery long winter.!

A: Wow, more snow, eh?

Audience Question:

Q: Glad to be here on Webinar Wednesday. Cool and the sun is struggling to shine in Southwest England.

A: Welcome!

Audience Question:

Q: Is there a handout for today?

A: Not today.

Audience Question:

Q: What was the address for "Youtube"

A: www.youtube.com/ashbyster

Audience Question:

Q: I have heard that they now have Google glass contact. Know anything about them and how they work?

A: Yes, I think he is going to talk about it.

Audience Question:

Q: I think my brain would overload and explode

A: :)

Audience Question:

Q: It's not as intrusive as I thought.

A: :)

Audience Question:

Q: I did not unerstand this at all. I guess I just old for this stuff. Mary Jean Hall

A: What you saw was what the person wearing the glasses was seeing.

Audience Question:

Q: How does Google Glass work with someone who already wears glasses?

A: Lots of you have asked this. I'll ask him if he doesn't cover it.

Audience Question:

Q: AWESOME!!

A: :)

Audience Question:

Q: pretty choppy but I am SURE google will improve that issue pretty quickly

A: It's only choppy because it's being rebroadcast through this webinar. It's very smooth otherwise.

Audience Question:

Q: Is the video display always that jumpy or was that just the demo?

A: It was only choppy because of it being rebroadcast through Devin's Internet connection, through mine, and then to yours. :)

Geoff Rasmussen (to All - Entire Audience): www.puzzilla.org

Audience Question:

Q: This is fascinating. How about a webinar?

A: Good idea.

Audience Question:

Q: Google Glass +++++ :)

A: :)

Audience Question:

Q: How is he "clicking" on an item? By just looking at it?

A: Currently, this app is not developed for Glass. He's suggested functionality that could/should happen in the future.

Audience Question:

Q: I know what I'm doing the rest of the day. Thanks Geoff & Devin

A: :)

Audience Question:

Q: Rootsmapper also sounds like a potential webinar topic? I haven't heard of it previously and would be interested in learning more.

A: Sure does.

Audience Question:

Q: I had never heard of rootsmapper! Thank you for the FYI!

A: Great!

Audience Question:

Q: I have not heard of most of these sites he is talking about. Will definitely be listening to this again to check out these sites.

A: A lot of them are listed at <https://familysearch.org/products> - just click on the Web column on the left.

Audience Question:

Q: What was the site for the newspapers?

A: newspapers.google.com

Audience Question:

Q: Legacy Family Tree does a spectacular job with genealogy education! "like the conference you can attend all year long.. ." Absolutely!

A: :)

Audience Question:

Q: The newspaper site is <http://news.google.com/newspapers>

A: Thanks.

Audience Question:

Q: Are the different google applications available without glass?

A: Yes, most of what he has been showing is not yet developed for Glass, rather, these are ideas of applicaton to family history that he is sharing.

Audience Question:

Q: Are there any copyright issues with uploading some of these items???

A: Copyright webinar coming up:

Geoff Rasmussen (to All - Entire Audience): <https://docsstorybuilder.appspot.com>

Audience Question:

Q: This is my first webinar, but I have already signed up for the copyright webinar. Can't wait!

A: Great!

Audience Question:

Q: This is the type of webinar that you need the yearly subscription for. I can see going back to it over and over, even months from now.

A: :)

Audience Question:

Q: I wasn't sure if I wanted to watch this today or not but boy am I glad that I am watching it. Worth watching a second time.

A: :)

Audience Question:

Q:

Q: I also thought I didn't need this but there is so much valuable information for computer use. Thanks so much! It's going to be a play day on the computer!

A: :)

Audience Question:

Q: If everyone in this webinar sent Geoff a \$1.00 how close would he be able to afford a pair?

A: :) I love the way you all think.

Audience Question:

Q: he would need 2 webinars to get a pair

A: Not unless you all sent me \$2 each.

Audience Question:

Q: Geoff, did you set up a paypal account for us to send you our money?

A: Just teasing...
