Audience Question:

Q: Thank you, how do we get those pages? onthe website?

A: Here is the link http://www.familytreewebinars.com/pdf/webinar-free5815.pdf

Audience Question:

Q: Where is her user's group located in Washington?

A: Her website is: https://plus.google.com/u/0/108179793304360452736/posts

Audience Question:

Q: Where do I go to download handouts for this session?

A: http://www.familytreewebinars.com/webinar_details.php?webinar_id=201

Audience Question:

Q: I have scanned docs and a tree full of people but how do I connect the sources and citations -- I know it's a basic question.

A: Glad you are part of our webinar today.   Geoff will be teaching you how to do this today.

Audience Question:

Q: The URL for the syllabus isn't working for me.   I keep getting 404 Not found

A: Try this - http://tinyurl.com/ofgwxz9 - sorry, I had a period in the hyperlink previously.

Audience Question:

Q: Yeah!!   It's Fabulous Friday Fun with Geoff!   I still struggle with Sources & Citations, so I'm looking forward to this - from cloudy Vancouver BC Canada, watching the daffodils growing daily taller!

A: Thanks for being here!

Audience Question:

Q: 14 Pages!? Thanks, Geoff!

A: You're welcome. :)

Audience Question:

Q: Lots of links on information about and how to form citations here, on Cyndi's List: http://www.cyndislist.com/citing/citations-in-genealogy/

A: Thanks

Audience Question:

Q: https://www.evidenceexplained.com

A: Thanks for the link

Q: for those who travel and/or are trying to be paperless - Evidence Explained is also in PDF format. I love my copy and annotate it hugely.
A: Good info.

Q: There is a FACEBOOK Page for Evidence Explained
A: Thanks for the info.

Q: there is a facebook page for Evidence Explained. There is a daily post, discussion and you can post questions/help requests
A: Thanks for the info.

Q: Is source writer different from Legacy version 7.5 and version 8?
A: Same tool but Geoff is updating the templates all the time.

Q: http://citationmachine.net/ is another great on-line citation tool.
A: Thanks for the info.

Geoff Rasmussen (to All - Entire Audience): www.worldcat.org
Q: Does Animaps now come with Legacy 8?
A: Animap is software from another company.   We sell it from our Legacy store.

Q: What does the bullet in front of the source name mean?
A: That means you used the SourceWriter to create it.   If there is no bullet point it was created using the Basic System.

Q: How does one change color, size of cursor?
A: This is a Windows option.

Q: how do we record the seminar so we can 'pause' and 'rewind'?   Marilyn
A: After this webinar, it will be viewable at FamilyTreeWebinars.com where you can review it and stop and pause.

Geoff Rasmussen (to All - Entire Audience): Book: Legacy Family Tree - Unlocked!
