The Top 10 DNA Features on MyHeritage by Richard Hill

Audience Question:

Q: The cluster tool is one of my favorite tools

A: Maybe it will be one of his too?

Geoff Rasmussen (to All - Entire Audience): 2:22 PM: cM Explainer

Audience Question:

Q: AutoClusters is one of the 10, at #9

A: Thanks!

Geoff Rasmussen (to All - Entire Audience): 2:27 PM: <https://www.myheritage.com/cm>

Audience Question:

Q: Excellent webinar very easy to follow

A: Glad you're enjoying it!

Audience Question:

Q: I am loving the detail in this presentation. 👍 🤖

A: Fantastic!

Audience Question:

Q: Hi, from sunny Albuquerque, New Mexico--to my found relatives and beyond!

A: :)

Audience Question:

Q: Hi Richard, Just curious if you've ever encountered someone taking either a saliva or a swab test - whom is going through radiation or chemo? My only direct line male relative (in his 80's) whom I'm hoping will either do Autosomal or Y-DNA test for me, has been going through treatments over the last 2-years. Any thoughts if Chemo/Radiation could affect/change results?

A: You might view the short TechZone video on this exact topic here:

Audience Question:

Q: This is so interesting, so much to take in

A: :)

Audience Question:

Q: This is helpful! Will it be available to rewatch later?

A: Absolutely! The replay will be found afterwards at

Audience Question:

Q: Rxcellent syllabus

A: Sure is

Audience Question:

Q: wow swab kits! I have to look into that!

A: :)

Audience Question:

Q: Don't see the syllabus link, but see that people are referencing it....

A: The link to the syllabus is found here:

Audience Question:

Q: This must be the easiest understanding of DNA & matches ive seen. THANK YOU for this.

A: :)

Audience Question:

Q: Excellent program. I am always amazed at the new ways DNA can be used in MyHeritage to find matches and help complete my tree.

A: :)

Audience Question:

Q: I may have missed this, but can you use more than one DNA filter at a time, or do you have to do each filter one at a time??

A: Yes, you can use more than one filter at a time
