RootsTech 2025 Recap by Daniel Horowitz

Audience Question:

Q: I could imagine how exhausted you are, Daniel! Thanks for all you do! :)

A: :)

Audience Question:

Q: Absolutely LOVE Daniel!! 🥰

A: :)

Audience Question:

Q: I loved Rootstech! What a great conference. Learned soooo much! It was a pleasure to meet with Daniel and yourself.

A: :)

Audience Question:

Q: You're very close to me Daniel! Let me know if you want to meet up for coffee or a quick lunch! ...Diane :)

A: :)

Audience Question:

Q: Looking forward to meeting Daniel Thursday in Modesto CA

A: How fun!

Audience Question:

Q: hello from Fort Collins Colorado. It was so wonderful to be a part of Roots Tech from my home. I really felt a part of the entire three days. Wonderful programming, and your features keynotes, and so many options for speakers! Great job!

A: :)

Audience Question:

Q: Why didn't you tell us about Cousin Matches in San DiegoJGS? I discovered this new feature yesterday! I can't wait to dive in! Alise

A: :)

Audience Question:

Q: Daniel - so looking forward to seeing you in Henderson Nevada on Saturday and Las Vegas on Sunday. Ciao - Sam Giordano

A: :)

Audience Question:

Q: Is there going to be a webinar to teach about the ancient origins in depth?

A: Yes, register for it here:

Audience Question:

Q: Being part of RootsTech from the comfort of my home was an absolute joy! I felt completely immersed in the energy & excitement of all three incredible days. The programming was nothing short of outstanding, with inspiring keynote speakers, captivating feature presentations, & an abundance of diverse & insightful sessions to choose from. It truly felt like I was right there, experiencing every unforgettable moment..as wished could have met Daniel & Geoff

A: Wonderful!

Audience Question:

Q: A couple of months ago, I requested that MyHeritage add the 1926 Canada Prairie Provinces Census to their collection. To my amazement, they completely indexed and added it within a week! 2 million records!

A: Wow, very cool!

Audience Question:

Q: I tried to get the \$10 discount on MyStories a day or two ago but I guess it expired and I was unable to get it. I still purchased a subscription and my husband has just opened the gift. Looks great!

A: Have fun with it!

Audience Question:

Q: I have thought about putting my mom's stories together in something like my stories

A: I think it's a great idea - answer one question per week, makes it less overwhelming

Audience Question:

Q: It's good to see substitute questions because the hard cover books I have seen have so many questions my parents either weren't interested in or didn't pertain to them. Or I wasn't interested in. (Religion and church for instance).

A: agree!

Audience Question:

Q: The ethnicity update is much improved and I love the video!

A: :)

Geoff Rasmussen (to All - Entire Audience): 2:47 PM: Register for the webinar next week about the 2.5 Ethnicity Model: That might be a question for the upcoming webinar dedicated to Ethnicity 2.5. Register at

Audience Question:

Q: My Heritage ALWAYS does a excellent job - I did that ancient origins - it was very interesting and amazing 🤖

A: Glad you love it!

Audience Question:

Q: How are the ancient groups determined?

A: A very good question for the upcoming webinar about Ancient Origins by Gal Zrihen:
